

An invitation to

.....
for

A seminar on

Cave Science Sri Lanka

An acknowledgement of a significant milestone
of the project in place under the kind support of PGIAR

2nd September 2010

at

PGIAR Auditorium

From 9.00am - 01.30pm

This completes the first part of the journey we started
early in September 2009 to explore the Sri Lankan caves
in depth using an extraordinary model. This is the
first ever seminar on Cave Science in Sri Lanka proudly
organized by the PGIAR.

Please join to explore the wonders
of the Sri Lankan caves with
Prof. Osborn Armstrong
University of Sydney, Australia
and
Cave Science Group, PGIAR

POSTGRADUATE
INSTITUTE OF
ARCHAEOLOGY
University of Kelaniya
